Dream

Give dreams the attention they deserve

Dream Stage: From when you were little...

Sit back and dream. Dreaming is the first step toward designing the perfect wedding. Celebrity allows you to be the architect of your dreams by offering almost endless options. Believe it or not, visualizing your dream will be one of the most important parts of your planning. Everything starts with an idea, a dream.

Think outside the box and pay attention to detail. Designing your wedding is a creative process and the details are what make your wedding uniquely yours. The clearer your vision, the simpler you'll find the planning of your dream into a reality.

Dreaming is the earliest stage of wedding planning where every option is possible. So let's dream a little...

Plan

Conceptualize each scene of your wedding as you plan

Plan Stage: 60 days to One Year prior to your Wedding

Think of your wedding as a movie. Like any award winning film, a wedding has intensity and meaning, preluded with a dramatic moment that builds up to an exciting climax and satisfying end. When planning, take an imaginary journey through your wedding scene by scene. Incorporate the ideas created during your dream stage and imagine how you'll feel at each moment of each scene. Conceptualize each scene of your wedding as you plan, from arriving to your cruise port and boarding the ship, to the vows, music and cuisine throughout the wedding and honeymoon.

Gather all your Information

Review your Celebrity Cruises Travel Brochure and "Celebrity Weddings" Brochure. Remember, the bride and groom must be sailing to hold a wedding onboard a Celebrity vessel.

Decide on a Wedding Date

- Contact the Celebrity Reservations Department, your Travel Agent or Celebrity.com for a cruise quote.
- Call the "Celebrity Weddings" Department to check availability of your wedding date. Your Event Manager can place your date on a courtesy hold for three (3) business days. Remember the hold will automatically cancel if payment has not been received.
- Confirm with your Event Manager that the courthouse on your wedding day will be open as some courts are closed on local and national holidays plus some weekends.

Place a Deposit on your Cruise with the Celebrity Reservations Department or your Travel Agent

- Discuss flight, hotel and transfer options

- If you are being married on the day of sailing, we strongly encourage you and your guests to arrive at least one day prior to your wedding.
- Gather information about pre and post hotel packages.
- All wedding couples and their guests with a wedding on the day of sailing are requested to be at the pier by 10:30 AM. Celebrity transfers may not be available for wedding parties from the hotel/airport to the ship due to time constraints.

Call the "Celebrity Weddings" Department to book your Wedding

- Your cruise must be booked prior to your wedding.
- When booking your wedding, you will need your cruise reservation number.
- Full payment for the wedding package and marriage license is due at the time of booking in order to reserve your wedding day. Please be sure to review the cancellation policy on page 17.

Complete your Wedding Paperwork and Return it to the "Celebrity Weddings" Department

- After you book your wedding, your Event Manager will send you guidelines for your selected wedding destination and a contract. Once your signed contract is received, your wedding will be officially booked.

Create your Wedding Guest List

- Send out a "Save the Date" announcement with cruise details to your guests who will be attending the wedding.

Contact your Event Manager to start Planning Details

- Your Event Manager is available to answer questions at anytime during your planning stage.

Destination Wedding Guidelines:

- Transportation is provided to and from the ceremony location only. Ceremony location must be within a 10-mile radius of the ship.

- Please advise your Event Manager of any special needs no later than 30 days prior to sailing.
- Not all locations are wheelchair accessible.
- Garden and beach locations, while beautiful, may not be private.
- Destination weddings are performed while the ship is at a port of call. Since the wedding will take up the majority of your day, Celebrity does suggest that shore excursions or tours are NOT arranged on the same day. This is a special day for the wedding couple and should not be compromised by unforeseen circumstances that may arise. We advise if either you or your guests have not visited the port chosen for the wedding, you may want to consider having the wedding take place on embarkation day or at another port of call.
- Weddings are performed on local island time.
- When reserving your wedding date, please advise your Event Manager of your expected guest attendance since capacity for shore weddings may vary.
- Alaska Glacier Weddings: Cake & champagne will be provided onboard the ship.

Ports of Call

Marriage License Overview

The bridal couple is responsible for obtaining a valid marriage license from the port of call where they have selected to hold their wedding. "Celebrity Weddings" can assist in obtaining a marriage license in some ports of call for an additional processing fee. Once the wedding has been reserved, Celebrity will send the bridal couple detailed marriage license requirements. All applications and appropriate documents must be received sixty (60) days prior to the sail date to avoid a late fee. Please note that in some ports of call, the courts are closed on weekends, as well as, local and national holidays, and some may charge additional weekend or holiday fees. The marriage license must be presented to the Marriage Officiate prior to the ceremony. Please note that all licensing and holiday fees are non-refundable.

Wedding couples that reside in Europe who will have their wedding performed in the United States or St. Thomas may require an Apostille for an additional fee. The Apostille is verification from the United States government that the marriage license is a true and legal document. All couples should check with their local marriage bureau to see if this document is necessary for them to register the marriage in their country of residence.

Due to the individual care Celebrity Weddings' Event Managers give each wedding, we are limited in the number of ceremonies that can be coordinated on each ship and at each port of call. All ceremonies and receptions are reserved based on availability. Ceremonies may only be held without payment for 72 hours. To avoid a \$250.00 late fee, please arrange your wedding at least 45 days prior to the sail date of your cruise vacation. Our Celebrity Weddings' Event Managers will work with you to create the perfect wedding that suits your individual style. Your wedding date will be reserved as soon as full payment for your wedding package is received. Wedding arrangements may be paid in US Dollars by credit card, travel agency check, certified check or international money order. Visa, MasterCard, American Express and Discover are also accepted. Weddings are considered reserved upon receipt of a signed Celebrity Weddings Wedding Contract.

Once your wedding is confirmed with payment, a wedding reservation can only be rescheduled outside of 60 days prior to the sail date. If you need to reschedule the date of your wedding for any reason, it is subject to availability and a rescheduling fee of \$250.00.

Due to the limited availability of some services, Celebrity Weddings encourages couples to book custom options as soon as choices are made. Enhancements will be confirmed upon full receipt of payment. Additions and changes may only be received up to forty-five (45) days prior to the sail date of your cruise vacation.

As a complimentary service provided by Celebrity Cruises, wedding parties may have up to 10 non-sailing guests in attendance at the wedding ceremony. If there are more than 10 non-sailing guests, a reception package must be booked. Additional cake and champagne does not constitute a reception. If a reception is booked on the ship, additional non-sailing guests may attend the ceremony and reception. Please note that in some ports of call, non-sailing guests are not permitted to board the ship due to security restrictions.

Wedding parties with a reception may have a maximum of one hundred and fifty (150) non-sailing guests board the ship for their celebration. Wedding parties with 25 - 50 guests require the services of an additional Wedding Coordinator and will be

charged an additional \$150.00 US Dollars. For each additional 25 guests, Celebrity Weddings requires the services of one additional Wedding Coordinator. Couples who choose to have a destination wedding ceremony may purchase an onboard reception following their ceremony. There is an additional fee of \$150.00 US Dollars as onboard receptions require a Wedding Coordinator.

Please be advised that in the event of strikes, lockouts, riots, weather conditions, change of itineraries, missed ports, mechanical difficulties or other unforeseen circumstances, Celebrity Cruises may at any time and without prior notice cancel, advance, postpone or deviate from any scheduled sailing or port of call. Celebrity Weddings shall not be liable for any loss whatsoever incurred by reason of such cancellation, advancement, postponement or deviation. Please refer to Celebrity's brochures and cruise ticket contract for additional terms and conditions regarding your cruise vacation.

Hurricane Policy:

In the event that the ship cannot safely dock in your wedding port due to a hurricane or tropical storm or other inclement weather conditions, Celebrity Weddings will make every attempt to reschedule a symbolic ceremony for you either onboard the ship or another port of call. If this is not possible and all arrangements must be cancelled, couples will be refunded the cost of their Celebrity Weddings event minus the \$200.00 administrative fee. Unfortunately, fees for marriage licenses are non-refundable.

Boarding:

Priority boarding is provided for bridal couples (as well as their guests) who are being married on the day of sailing. If you have not registered online, please have your cruise documents completed prior to arriving at the cruise terminal. All wedding couples must present themselves to the Wedding Coordinator to check in and to be escorted to the ship. There may be lines for regular passengers to check-in and to board the ship, therefore, checking in with the Wedding Coordinator is the only way we can ensure bridal couples and their guests do not wait in line unnecessarily. The boarding time is controlled by U.S. Customs and Immigration. No one is permitted to board the ship until U.S. Customs and Immigration clear the ship. A Wedding Coordinator will greet the bridal party and guests at the security desk inside the terminal area and escort them onboard ship and then escort the couple to their stateroom. Couples may board as soon as US Customs

clears the ship, which is typically between Noon and 12:30 pm. All sailing and non-sailing guests will receive special priority check-in, provided they arrive at the pier by 10:30 am.

Note:

Luggage

It is extremely important the wedding party personally carry all items onboard that are to be used in the ceremony. This includes the tuxedo, wedding dress, shoes, jewelry, etc. for the entire wedding party (bride, groom, bridesmaids, groomsmen). Security will only allow one small carry on per person. Luggage checked with the luggage handlers may not arrive in the stateroom until well after the ceremony.

Wedding Locations and Times

Ceremony times and locations are assigned according to the requirements of each wedding or onboard event. Times and venue will be confirmed approximately two (2) weeks prior to the sail date of your cruise vacation. According to the number of guests, weddings are performed in the ship's library, chapel (if applicable) or in one of the ship's lounges. For safety reasons much of the furniture onboard is anchored in place and therefore cannot be reconfigured. Wedding decorations for the ceremony include two white columns and two silk flower arrangements. The type of reception purchased determines the length of time allotted for a reception. In some ports, reception times may be limited. For more details, please check with your Event Manager.

The ship's Captain does not have the authority to perform wedding ceremonies. All ceremonies are civil ceremonies performed by a government-approved official.

Cancellation Policy

For a refund of your wedding or ceremony enhancements, Celebrity Weddings must receive notice of cancellation in writing no later than 60 days prior to your sailing date. A refund, less \$250.00 US Dollars administration fee and the license fees, will be issued. Refunds will not be granted for cancellations made less than 60 days prior to sail date.
